PROJECT WORK EXPERIENCE

Team Member, **Foundations of Human-Centered Design and Development**

- Worked in a team to develop a low-fidelity prototype application to display wait times at on-campus eateries.
- Worked in a team to develop a working application aimed at helping users struggling with mental health.
- Utilized Adobe to create wireframes for the UI/UX design.

EXPERIENCE

GOLF PRO SHOP ASSISTANT

Philipsburg Elks Lodge & Country Club

Philipsburg, PA

April 2021 - Present

- Performed opening and closing duties such as cleaning the store, setting up displays, and restocking shelves.
- Provided support to the Golf Pro Shop Manager by completing assigned tasks in a timely manner.
- Assisted golfers with club selection, fitted clubs to golfer's specifications, and provided recommendations for accessories.
